Welcome!

NEW DESIGN! This month's edition is going to be packed with loads of feedback from you cadets, so we should get cracking! But don't forget Auntie Ellie, she's only solving her own problems at the moment! Remember, its private and you don't have to put your name, even if it's a rant about an officer!

Feedback!

Both bits of feedback are about the regional camp

The Slindon Spur camp was excellent! When we all arrived at the camp we were shown our tents that the officers had kindly put up for us. I was pleased with the decision on the people in my tent. There was a whole range of activities, some of which I had never done before; capture the flag was great fun but someone tripped over a log, not mentioning any names... HANNAH! We also did orienteering where we almost got lost in the woods with Andy, which I can assure you is not a very good thing, but thankfully we got back to camp alive! Some of us watched the world cup, which we lost by the way, and some of us did our own thing, like played Football. After that we had a huge water fight with buckets, cups and of course Water Pistols and in true Implacable style we got absolutely drenched, and so did Sturdy and Intrepid with the help of us! Camp was an experience because we got to hold a king snake called Max; we got to shoot, some of us for the first time, and we learned how to fence. Camp was great and we should definitely go to Spur again! By L.S Berry

I had a very enjoyable weekend, the best bits that I had fun doing was the fencing with swords, trying to knock my opponents helmet off! I liked shooting, because I got to load and fire guns. I held a snake and I thought it would be slimy, but it was only smooth and sticky. In the tents at night it was really hot and sticky in my sleeping bag, but before all that we toasted marshmallows on the campfire. By anonymous.

This Month!

We just had Angmering Camp, so let's get some stuff there, and there was a sailing weekend at Lion at the end of the month, which I'm sure you all loved! At the beginning of the month we had a colour and fanfare competition practice, so WE CAN WIN!!! We have kayaking this month, along with Littlehampton town show, a disco, Lion again and a quiz night at sturdy!

Birthdays!

We have 8 birthdays this time, Katie Cole, John-Joe Higgs, Abby Lane, Stuart Webb, John Kitchener, Daniel Hughes, James Moore and Malcolm Nicholls.
"Happy Birthday to you all!"

Jokes!

Submitted by Simon Nicholls!

There was a man and his wife in bed one evening, and the man heard a noise. He decided to go investigate. When he got back, he told his wife: "There's a burglar downstairs and he's eating the food you made for dinner, do I call the Police or the Ambulance????!!!"
