Welcome

This month, we have only had a little feedback, so we will just have to make do with one page. To all those people I asked to do things this month, please hurry up, and write in. Don't forget Auntie Ellie's is waiting for your problems, she is getting lonely!

This Month

Many thanks to those cadets, parents, and officers who turned out to collect on Saturday. Even though we did not have many collectors we still had a very successful morning, one of the best we have had in Rustington.

We raised an impressive £457.01, which will go towards the many projects that we have planned for this year.

So well done and thank you once again to everyone.

The American Exchange!

We have to say goodbye to George, Paul and Nina on 29th July, when they leave us for America. They will be staying with the American Scouts on an amazing Scout Camp and visiting the sights of New York. We will see them again on 8th August.

Although they are going to have great fun they will also be working hard as ambassadors for the Corps, we know you will not let us down.

So all that is left to say is good luck and have loads of fun

Coming Month

Family Night

Our latest Family Night is coming up. It was supposed to be on the 15th July but has been moved to the 5th August. Letters will be coming out with all the details but just giving you advanced warning. We have listened to what parents had to say about the Family Nights and this year the Barbeque will be held at our Headquarters in Wick Farm Road. We will also be starting much earlier in the hope that people will not have dinner before coming and instead of a disco we are hoping to have some of our giant games around. We had lots of interest in the Family Nights at the AGM so hope we see you there.

Littlehampton Flag Day

We have another flag day coming up. It will be in Littlehampton on 5th August.

It would be really good if we could collect a higher amount than at Rustington. But to do this we need many more collectors, Littlehampton is much bigger and we need more people to cover the area. Can you give up an hour of your time to help us?

-X-X-X-

Comedy Corner

There was a young sailor named Bates,
who danced the fandango on skates.

He fell on his cutlass,
which rendered him nut less,

And practically useless on dates!

*Can you do better then send yours joke etc to
tigernews@tsimplacablentc.org*
