Welcome again!

Hi! Welcome to the second issue! Thanks to all the cadets and officers for news items, information and articles for sale. Remember, this is YOUR magazine, and without your input, we wouldn't be here!

PO Jos Wright...Doing what he does best...

Walton Firs Camp

Thanks to LS Paul Nicholls, for giving us this brilliant account of our FUN weekend!

The camp was brilliant I enjoyed every minute of it, from the first night setting up all the tents Friday to putting them all down again and coming home on the Monday.

We did some great activities Climbing and Abseiling, playing with the earth ball, The Assault course that Jos got a bit wet and muddy on, and the night games and loads more great activities that we all did.

Everyone had a great camp and everyone had a great time doing everything even the people that got injured!!

And thank you to all the officers that gave up their weekend to give us this great camp to go on and all the activities to do.

Just Jokes!

Two fishermen are out sailing when suddenly a
hand appears in the sea. "What's this?" asked the
first fisherman, "It looks as if someone is
drowning!"

"No," explained the second fisherman, "It's just a
little wave."
