1st Edition of many!

WELCOME to the first edition of the Newsletter for Implacable! Well, not really the first edition, because we used to have a newsletter back in 2003/2004, but that stopped! So now, I am writing one, just for all you lot. The name came from the last two newsletters.

This newsletter is mainly for you all to have a vague idea of what is going on in implacable, and you can put anything in it. All you have to do is e-mail me on tigernews@tsimplacablentc.org and I will get back to you ASAP, or put it in the box that will be on deck! You can put anything in this, a comment, a birthday greeting, and even stuff for sale.

This Month!

We have a Shooting practice on the 17th, remember NO CAPS! Also, there is a regional Band Practice on the 21st. so, all you new cadets that are in the band Can go along and have some fun! 23rd, do not forget about the ships AGM, we got games! Then, on the 26th to the 29th, we have the amazing, much awaited WALTON FIRS CAMP, so lets hope we see you all there, lets get CPO Jos Wright covered in the mud from the rope swing!

Note for next month!

Do not forget that we have Founders day coming up on the 11th of June and the band will be playing at Rustington carnival! (We will need helpers to give out flyer to help recruit for new members, anyone wanting to help see Ch/O Ginnaw)

THE BOX

This is where we will put all of your comments and suggestions. Hopefully next time I do this, it will be full.

As a last Note...

Even though they have left, let's say a big goodbye and Thank you to Rob and Scott, who have unfortunately gone away, even though we'll see Scott in the near future. (Maybe it was because of Ch/O Ginnaw's smelly feet!)

So, so long, and thanks for all the fish!
